## **Conclusion report by Rainer Kühn**

The 4th Deaf Bowling World Championships took place at the bowling alley in Taoyuan, Chinese Taipei, where we had a record number of bowlers from 27 countries from 3 different regions participated. We used 30 bowling lanes that went smoothly.

They were outstanding performance throughout the competitions.

I wholeheartedly thanks the Taipei Chinese Organising Committee and their many wonderful volunteers, who had been brilliant from start to finish.

Everything went very well. Also to the IT team, who had worked very hard to build the website.

Photos and full results of all events can be found on the website.

<https://www.wdbc2019taoyuan.deafsports.org.tw/>

I look forward to seeing more promising players in the future.
