# Welcome to Washington, D.C., USA

**Host City****Washington, D.C.**

Washington, D.C., formally the District of Columbia and commonly called Washington or D.C., is the capital city and federal district of the United States. The city is on the Potomac River, across from Virginia, and shares land borders with Maryland to its north and east.

Washington, D.C., was named for George Washington, a Founding Father and the first president of the United States. The district is named for Columbia, the female personification of the nation.

**Climate data for Washington, D.C.**

The average low temperatures at this time are mostly in the mid-30s F (1-3 C). As the month progresses, the afternoon high temperatures generally fall to the mid-40s F (6-7 C) while the early morning lows tend to be in the upper-20s F to lower-30s F (-3 C to -1 C).
